

EMERGING EXPORTERS PROGRAM

Connecting Agricultural Businesses to Global Markets

Emerging Exporters Program – Information Sessions

Are you an Agricultural business based in the Western Downs and Surat Basin and interested in export?

Shell's QGC business is proud of its Emerging Exporters Program which supports the development of agricultural businesses to grow and explore global export markets.

The Program is delivered by Food Leaders Australia, the Food and Agribusiness arm of the Toowoomba and Surat Basin Enterprise (TSBE).

A series of information sessions will be held on the Emerging Exporters Program prior to calling for Expressions of Interest, which open on March 26 and close on April 20, 2019.
