

# FIELD DAY

## CURRENT BEST PRACTICE IN BEEF CATTLE HUSBANDRY FIELD DAY

Join us on Friday 13 November for the Current Best Practice in Beef Cattle Husbandry Field Day.

TSBE is proud to partner with Nutrien Ag Solutions to deliver a Producer Field Day, here in Toowoomba at the TAFE Rural Centre of Excellence.

Nutrien Ag Solutions is an integral part of the Australian agricultural industry. Their generations of experience have made them experts in a range of different farming areas, including precision farming services, marketing livestock and wool, agricultural services, water, finance, insurance, merchandise and real estate. After decades of serving Australian farmers as separate companies, Ruralco and Landmark combined in 2019 to become Nutrien Ag Solutions, marking a new era in Australian ag retail. Nutrien Ag Solutions are committed to growing value through a world of innovation, practically applied.

This field day is designed to educate attendees and highlight the current best practices in general animal husbandry, including the methods of application, new treatments, and pain relief.

Topics covered on the day will include:

- Weighing
- Worming
- Vaccines
- Dehorning
- Castration; and
- Nutrition.

Presentations will provide practical demonstrations allowing you the chance to ask questions in the field and learn from their expertise and experiences.

Refreshments are provided.  
Limited tickets are available.
