

GROUP ACCOMMODATION

Toowoomba CBD

With around 2,000 rooms available in over 100 properties located in Toowoomba city alone, there are options to suit most delegates and budgets.

These range from 4.5 star hotel and serviced apartments and suites through to the unique experience of an historic guesthouse or escarpment chalet for those seeking a more authentic Toowoomba destination experience.

And there's everything in between - serviced apartments, motels, B & Bs, self-contained apartments and cottages, caravan parks and camp/dormitory style.

Many are within walking distance of major venues or a short drive to the CBD and/or major venues.

A coach service can be readily arranged to collect delegates from their accommodation and transfer to the chosen conference venue.

Indicative per night room rates below are based on a group booking of minimum 10 rooms for room only (no breakfast unless indicated).
