WELCOME ABOARD ACCESS HONG KONG - SEPTEMBER 2017

Join us as we embark on a journey from Brisbane West Wellcamp Airport to Hong Kong, Asia's world city and a hub for international business, trade, tourism and investment. We're proud to announce Access Hong Kong will be flown by Qantas, as the delegation again shares a journey of business innovation and interaction with the Asian market.

Access Hong Kong builds on the connectivity our region already shares with Hong Kong, via our weekly freight flight out of the airport, capable of carrying 136 tonnes of produce and products. A city with a creative entrepreneurial spirit that drives a thriving region, Hong Kong is a mix of the cosmopolitan, the high tech and cutting edge industries.

Hong Kong places itself as the gateway to China and Asia, and this trip is taking our agriculture & food, energy & resources, logistics and education cohorts direct to their potential future markets and opportunities.

Feedback from AccessChina'16 has helped TSBE and FLA shape this year's offering, with an increased focus on business matching, site visits, conference speakers, and of course, networking. Following last year's successful model, the Hong Kong flight is intended to leave Wellcamp Airport on the "Queen of the skies", a Qantas, B747-400, subject to government and regulatory approvals.

We look forward to seeing you at the airport prior to boarding.

**TSBE Executive Chairman
Shane Charles**

ACCESSCHINA'16 DELEGATE TESTIMONIALS

"I found the sessions I attended useful and interesting. The event was well organised and I found it simple to navigate. I made some useful contacts that may lead to commercial opportunities in time."

Michael Blakeney, BlueSky Alternative Thinking

"The trip was very interesting and informative and I made a great number of contacts with people from various industries. To get around 250 people coordinated into various talks and tours was not an easy job but everything ran smoothly and efficiently."

Chris Pienaar, Schenker Australia Pty Ltd

"It was something I'll probably never experience on a plane trip again... the sound of people talking was so loud, anyone silly enough to be watching a movie had to have their earphones at top volume. Just part of what I love about the bush - amazing camaraderie... it was a memory and a half!"

Sally Cripps, Queensland Country Life
