A partnership in good taste

Gone are the days of instant coffee at the motel before you set out, bleary eyed for the day. Or the week-old wine at dinner.

Southern Cross Motel Group has partnered with two leading brands to make sure your trip is enjoyable right down to the smallest things - like your morning coffee.

We're rolling out barista-grade premium [Merlo Coffee](#), hand roasted in Brisbane's Fortitude Valley as well as ensuring each room is ready with a couple of bottles of fresh [Big Springs Natural Spring Water](#) on arrival. And if you start the day right, you may as well end it right as well: we've worked with our friends at [Oatley Wines](#) to develop a selection of wines that will complement any meal.

It's just another small part of the Southern Cross Experience.
